Lutherans of Berks County are organizing a special Camp Noah for the children of families who have relocated here from Puerto Rico after the devastation of Hurricane Maria. According to Centro Hispano, more than 350 families have arrived in our local communities! Camp Noah is designed for children who have experienced a disaster and is meant to help them in their healing process.

VOLUNTEERS are needed. Please contact the WBMD for more information if interested.

Report from the WBMD Spring Assembly

We welcomed about 65 people for our Ascension Worship service. We collected \$490 in offering which was sent to Amazing Grace Lutheran Church in Baltimore, the ministry chosen by our guest preacher, the Rev. Laura Sinche. This church serves an impoverished community and is making a difference in their neighborhood.

At the Assembly, Pastor Mark Rigg from Advent Lutheran Church in West Lawn was elected to serve as our Dean. Rev. Rachael Dietz, Judy Stoudt and Deacon Kathy Yenser were elected to the WBMD Council. Rev. June Bair was re-elected as our liaison to the Synod Council. Steve Barnett was elected as our lay male voting member to the 2019 Churchwide Assembly and Larry Grybosky will be our alternate if Steve cannot go.

We heard a report from Rev. Mary Wolfe as she completed her second term as Dean; we are grateful for her faithful service. Associate to the Bishop, Rev. John Richter reported on the status of WBMD congregations in transition.

A challenge grant from the Reading Lutheran Parish was offered as we try to raise funds to support Camp Noah which will be held in Reading this August for children who fled Puerto Rico following last year's devastating hurricanes. **The RLP will match up to \$5,000 in donations for Camp Noah.** Please find a creative way that your congregation might help or, if you're not feeling too creative - just take a special offering to support Camp Noah and your gifts will be doubled through the grant! Checks can be made payable to and sent to WBMD and we will forward the funds plus the match to Camp Noah.

A resolution was brought to the floor of the Assembly tasking the WBMD Council with prioritizing the importance of ministry to the poor and to find effective ways to use WBMD resources to support ministries helping people in need. The resolution carried unanimously; the WBMD staff and Dean Rigg are on board. Thus, **we** (Dean, staff, and Assembly members) **encourage all WBMD congregations to reconsider their support of our Lutheran Pantries.** Donations to this ministry have been waning as the need in the areas being served has grown. Can you find a time before the end of 2018 to do a special food & funds collection to help feed our hungry neighbors? We are in this ministry together! God's work. Our hands.

Johnson-Agiri family update –
Tola's work authorization has still not been approved. They are refileing and were told he would be eligible on June 19, 2018. He has completed the Workforce Development Program through the Literacy Council and has been tutored in his English pronunciation. He completed a Penn State Berks training course on 3-D Printing and an online course through Six Sigma. He is anxious to find employment.
The children, now 5, 7 and 9, are all finishing up school. They have done very well and their teachers have been pleased with their progress in both their studies and socializations skills. Could you invite them to your VBS this summer and provide transportation?
Your continued financial support and offers of gently used clothing are still greatly appreciated. Call WBMD for more information and sizes.
